

SUBTRAKSJON MED epler

Tell eplene som har falt ned fra treet og hvor mange av de som er spist. Skriv regnestykket og finn hvor mange det er igjen.

$$\begin{array}{r} \square \\ - \square \\ \hline = \square \\ \hline \hline \end{array}$$

$$\begin{array}{r} \square \\ - \square \\ \hline = \square \\ \hline \hline \end{array}$$

$$\begin{array}{r} \square \\ - \square \\ \hline = \square \\ \hline \hline \end{array}$$

$$\begin{array}{r} \square \\ - \square \\ \hline = \square \\ \hline \hline \end{array}$$

$$\begin{array}{r} \square \\ - \square \\ \hline = \square \\ \hline \hline \end{array}$$
